

Harvard-Smithsonian Center for Astrophysics  
**Postdoctoral Fellowship Program, 2003**

**APPLICATION FORM**

1. Name
2. Address
3. Telephone Number (                    )
4. E-mail Address
5. Country of Permanent Residence  
    If not U.S., give visa status
6. U.S. Social Security # or Taxpayer Identification #
7. Date (after 30 June 2003) available to begin Fellowship (best estimate)
8. Date of Ph.D. (month/year)                    9. University
10. Thesis (title and short summary, not to exceed allotted space) Note: a three-page summary of previous research should also be submitted.

11. Thesis Advisor

12. Area of Proposed Research (the work of the following CfA divisions is described in the overview of CfA. To which division is your proposed research most closely related? **Mark two boxes** using "1" and "2" to indicate primary and secondary preferences.)

- |                                |                           |
|--------------------------------|---------------------------|
| Atomic and Molecular Physics   | High-Energy Astrophysics  |
| Optical and Infrared Astronomy | Planetary Sciences        |
| Radio and Geoastronomy         | Solar and Stellar Physics |
| Theoretical Astrophysics       |                           |

The proposed research can be characterized as

primarily observational      primarily theoretical      primarily experimental/instrumentation

Harvard-Smithsonian Center for Astrophysics  
**Postdoctoral Fellowship Program, 2003**

13. Proposed research (title and short summary, not to exceed allotted space). Note: a three-page research proposal should also be submitted.

14. List of Referees (names, addresses, and e-mail addresses) who have been requested to send letters of reference directly to CfA by 15 November 2002:

1.

2.

3.

*Print and send for arrival by 15 November 2002 to:*  
Secretary, Postdoctoral Fellowship Committee  
Center for Astrophysics  
60 Garden Street, Mail Stop 47  
Cambridge, MA 02138
